

Providing Intelligent Solutions Coast To Coast but don't just take our word for it...

(Dana McWilliams, Managing Director at QTS, located in Phoenix, Arizona)

Dana McWilliams is the Managing Director at Quality Transport Services (QTS), located in Phoenix, AZ.

QTS provides transportation services to hospitals, assisted living facilities, nursing homes and hospices throughout Arizona. QTS also provides subcontracting support for transportation entities that need assistance with meeting ADA requirements. Dana states, "In my business it's all about safety and comfort for our special needs customers, and with AbiliTrax products upfitted in our Ford Transit vans, our drivers have the flexibility to secure virtually any type of wheelchair or cot/stretchers design. Our drivers love their AbiliTrax upfitted Ford Transit vans provided by our AbiliTrax Dealer, Sanderson Ford."

(QTS provides transportation services to hospitals, assisted living facilities, nursing homes and hospices throughout Arizona)

(Pam and Stanley Rakestraw, owners of SCR, located in Chicago, IL)

Pam and Stanley Rakestraw are the founders and owners at SCR Medical Transportation located in Chicago, IL, one of the nation's largest ADA paratransit subcontractors and NEMT providers.

Pam Rakestraw explains, "With AbiliTrax, we finally have more flexibility over vehicle configurations that best match our trip demands and allow us to maximize our productivity. The biggest

"game-changer" is the Shift N Step's side slide-door dual-access system. Our drivers can now access the safer curbside location for both wheelchair passengers and ambulatory passengers."

(Pam Rakestraw, shown above operating their AbiliTrax Shift N Step Dual Access Lift System)

(Don Szudarek, Administrator of Support Services at OLW, operating their AbiliTrax Rear Lift Van)

Don Szudarek, Administrator of Support Services, has served Our Lady of the Wayside (OLW) for over 22 years.

OLW, located in the greater Akron / Cleveland, OH area is a private nonprofit that provides residential, transportation and day programming services for 950 children and adults with developmental disabilities located throughout 45 communities in Northeast Ohio. **"My stance at OLW is, unless it has AbiliTrax in it, I will not buy it...every wheelchair lift van I purchase must be AbiliTrax upfitted"**

(AbiliTrax revolutionary FMVSS seating solutions allow for any configurations at any time)
