Need to Take More People Along for the Ride?

- *The perfect solution for the combined transport of people and cargo materials*
- *FMVSS compliant for any combination of up to six additional passengers*
- *AbiliTrax is currently offered in over 12 vehicle applications including the Ford Transit, Mercedes Sprinter, and RAM Promaster*

3 Passenger Seating

6 Passenger Seating

Best of all, the seats do not need to stay in your way, they can be removed for more cargo space when needed. Better yet, the tracks work with standard cargo fittings to safely secure loads. You can have the security and privacy of a cargo van, yet the practicality of a passenger van.
